HOW WE SERVE

Honoring Sacrifices

Annual Memorial & Veterans Day services, grave-side services for combat veterans.

National Scholarship opportunities & grant/donations for youth programs.

Community Hub

Affordable event space for life's key events.

Direct Member Support

Addressing unmet needs of our members and surviving spouses.

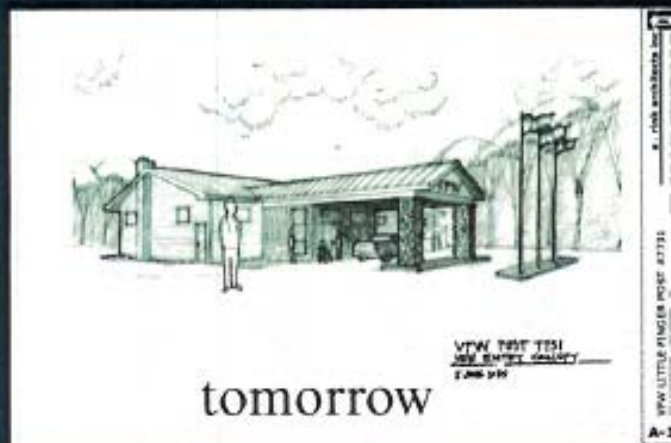

WHY NOW?

The critical need for a fully accessible Hall hit home when 104 yr-old D-Day veteran Dick Grout, though mobile, had to be carried up the stairs to be honored. Dick passed in Nov. of 2024, asking to remain a voice for the Hall's vital updates.

Your contribution honors our veterans and ensures our community has a welcoming space where all can gather.
